THROUGH

PERSONAL BRANDING

STRATEGY & STORYTELLING

Would you like to define what makes you unique and express it clearly to stand out in your job search?

Do you want to identify your strengths and your value to position yourself effectively in the job market?

Would you like to build your resume and LinkedIn profile highlighting your achievements specifically tailored to your job search?

Would you like to create a great profile aligned with the competitive environment?

Do you need clarity on your next step through a compelling narrative that helps you face interviews with confidence?

Are you looking for a strategy to position yourself that resonates with recruiters and AI algorithms?

Would you like to connect with your audiences to boost your digital visibility during your job search?

WE GUIDE YOU THROUGH A PERSONAL BRANDING JOURNEY THAT CONNECTS YOUR VALUE AND POSITION YOURSELF.

-  **Self- exploring:** we identify your strengths, motivations, and inner value through a process rooted in authenticity. Together, we define your value proposition and a narrative that truly reflects who you are.
-  **Brand Identity:** we uncover the core essence and key attributes of your brand. We create a unique differentiation strategy and design a profile that projects your competencies, skills, values, and vision with impact.
-  **Positioning and Professional Path:** we align your professional journey by highlighting your achievements and strengthening your narrative against competitors.
-  **Leadership:** we reconnect with your long-term vision and goals, both personal and professional, to help you improve your interpersonal relationships and drive your growth.
-  **Communication Plan and Visibility:** Identify your target audiences and publish content based on your professional experiences to connect with stakeholders, strengthen your visibility, and enrich your network of relationships.
-  **Key Moments:** in times of crisis, transition, or conflict, we help you make sense of your story, reconnect with your purpose, and make meaningful decisions.

Valentina Francisco

Psychologist and Business Advisor specialized in Personal Branding. My work bridges entrepreneurship and counseling, highlighting the importance of interpersonal relationships and value creation as core drivers of professional growth. With studies in philosophy in Italy, I support executives and professionals in strengthening their leadership, particularly in banking, insurance, and financial services.

Our approach to Personal Branding is the result of years of experience guiding thousands of MBA students and professionals through academic support and business consulting, including the development of Business Plans, market research, and financial analysis. This journey led to the creation of our original model, enriched by the review of

Business Advisor | Aurora Consulting

the literature, along with practical insights from the Big Four, top business schools, and Personal Branding experts. A perspective that blends strategic business vision with personal growth, giving rise to the transformation we deliver as an experience.

We offer highly personalized and dedicated service, empowering professionals and companies in the US, Latin America, Spain, and Italy, to define their value and position themselves with clarity and authenticity. In a world where building trust and credibility through digital channels is essential, boosting your visibility and thought leadership becomes a priority. Let's explore how we can build something meaningful together!
